

-smore than
one

Name:

Adding -s (more than one)

Add -s to a word to mean more than one. Build each word, then read the sentences.

Build the word

cat + s = _____

dog + s = _____

pig + s = _____

hen + s = _____

Read the sentences

I see two cats.

The dogs run fasts.

Six pigs dig.

The henss sit on eggss.

Ten bugss are here.

Read the sentences 3 times. Colour a face each time.

S

Quick facilitation notes & answer key

What this worksheet teaches

Children learn the word part s and build new words from base words, then read them in decodable sentences.

How to lead it (about 15 minutes)

1. Explain the word part / pattern: -s.
2. Model the first one: cat + s = cats.
3. Children build the rest, then read each sentence.
4. Children read the page three times and colour a face each time.

Answer key

Build: cats, dogs, pigs, hens.

Add -s to most words to mean more than one.

Sentences: I see two cats. The dogs run fast. Six pigs dig. The hens sit on eggs. Ten bugs are here.

B2.3 — use developing knowledge of the meanings of words and morphemes (i.e., bases, prefixes, and suffixes) to read and spell words.

In plain terms: children read and spell the everyday letter-sounds (and word parts) quickly.

If children get stuck — and ways to adjust

Watch for: sounding out s part by part. Cover the rest of the word and say the target first.

Make it easier: do fewer items together first; you read, the child echoes.

Make it harder: ask the child to think of or write one more word with the target.

You'll know it worked when: the child reads the page smoothly and spots the target on sight.
